

March

Hey Clubbers – Congratulations on meeting our Missions Goal this year. We passed our goal in the number of sections you did and have extra to send to Portugal thanks to your generous giving in the Nickel contest and the Lollipop sale.

Thank you to everyone who helped make the AWANA Grand Prix a success. The cars looked and raced great! Thanks to everyone who helped decorate, organize, register, pit crew, and generally assist in making this a really fun night. It was great to have Terry Borchellor and Tom Burant come and visit that night.

March Reminders

March 23rd – Inside/Out night. Wear your clothes inside out. God loves us just how we are. That means no matter what we are like on the outside, he loves us just the same. He loves us from the inside out.

March 30th – No Awana – Spring Break.

Note to parents and kids: We are seeking the return of some signed race car posters from last week. There were two rectangular photos with cardboard backing, in plastic sleeves, and with multiple autographs on them. The back of the pictures had Dale Sankey's business card on them. They were located on the center of the table near the other photos that were for the kids. Dale would very much like these two pictures returned. No one should feel badly for taking them, since they were located right by the other pictures and could easily be mistaken as one of the free pictures. However, we would love to have them returned.
